

Please note: Taxable portions of your gift, much like donor benefits, are cumulative. To find the tax-deductible amount of your donation, use the simple calculation below:

Your total contribution in the given calendar year minus the fair market value equals the tax-deductible amount of your donation. This includes gifts to support the annual fund and special projects, as well as Gala Raise the Paddle donations; it does not include tickets to performances or fundraising events.

For questions, please contact our Development Department at 206.443.2203.
